PROFESSIONAL SUMMARY

Second-year B.Sc. Information Technology student with hands-on experience building web applications, Java and C++ projects, and a Python-based machine learning application. Interested in software development, problem-solving, and learning through practical projects. Seeking an internship to further develop technical skills and contribute to real-world work.

EDUCATION

Bachelor of Science in Information Technology (B.Sc. IT) Bhavan's College, Andheri West, Mumbai | 2025–Present

Semester II CGPA: 9.32

TECHNICAL SKILLS

Programming: Java, C++, Python, JavaScript

Web Development: HTML5, CSS3, Flask, Responsive Web Design

Database & Data Tools: SQL / SQL*Plus (basic queries), Microsoft Excel (formulas and data organization)

Development Tools: Git, GitHub, VS Code, Android Studio

Concepts: Object-Oriented Programming, basic machine learning, UI development, problem-solving

SELECTED PROJECTS

AI Career Recommendation System | Python, Flask, Random Forest Built a web application that recommends career paths based on user inputs and displays prediction probabilities.

ResearchPilot | Hackathon Team Project Contributed to backend and AI-related work for a research-focused application during the 24 SHIFT hackathon.

Java Applications | CodSoft Developed a Student Course Registration System, timed Quiz Application, and ATM Interface.

Web Development Projects | HTML, CSS, JavaScript Created a responsive landing page, interactive calculator, and personal portfolio website.

C++ Console Applications Built a Number Guessing Game, Calculator, and Tic Tac Toe.

INTERNSHIPS & HACKATHONS

CodSoft — Web Development Virtual Internship January 2026

CodSoft — C++ Programming Virtual Internship January–February 2026

CodSoft — Java Programming Internship 2026 | Completed project work; certificate not available

24 SHIFT International Hackathon — CHRIST University September 30–October 1, 2026 | Team ByteBloom

Snap AR Lens Hackathon — Mumbai September 2026 | Created an interactive Desi Fusion AR lens

STRENGTHS

Curiosity and willingness to learn • Problem-solving • Creativity • Team collaboration
